

PINEVILLE

NEIGHBORS PLACE

Good morning,

I just want to update you on the changes PNP has put in place. Crisis Assistance closed yesterday. We expect our other helping agencies to close also. So we cannot offer any financial assistance until they reopen.

We are keeping our food pantry open to drive up clients. They just need to call us and we will bring out a pre-packed box of groceries. If they do not have transportation, we will deliver. Also, we are looking at delivering the bag lunches that CMS is providing to any children who cannot go to the school. If you know of anyone who needs that service, they can [sign up online here](#). Or call the office and we'll sign them up.

If our neighbors have any other needs that you're aware of, please let us know.
